ANNOUNCEMENTS

Feature Group of the Month “Bid Euchre”

Where can you go for \$1.00 and have so much fun in Lindsay on a Monday afternoon! Bid Euchre is a variation on the classic card game Euchre. The main difference is that you bid for the number of tricks you think you can take and the trump suit. The game consists of four players, divided into two teams. Cards are dealt using face cards only of Jack, Queen, King and Ace of the four suits (Spades, Clubs, Diamonds and Hearts). Come early and practice before the regular games begin. If you are interested in taking lessons, leave your name and phone number at the office and the Convener Norma Gorrill will contact you. The games begin at 1pm sharp on Monday afternoon. Don't miss the fun!!

Board Secretary Position

Our Board Secretary, Norma Gorrill will be moving out of the Kawartha Lakes and we need to fill the position of Secretary on the Board of Directors. This is a volunteer position and gives you the opportunity to be involved with the many exciting things developing at the Lindsay Seniors Association. We would like to train a suitable candidate prior to Norma's departure. For more information please leave your name and phone number at the office and our President, Donna Brooks will contact you.

Annual General Meeting

Save the date for our Annual General Meeting and Luncheon on Thursday, May 25, 2023 at 10:00am. Our dedicated volunteer Board of Directors will present our Annual Report and introduce several new policies to be voted on. More information regarding the meeting and luncheon will be posted in the May Newsletter.

Being Grateful

This month we are grateful for our President, Donna Brooks. As a volunteer, Donna works every day for our organization dealing with just about every little thing that comes along. Donna has served on the Board since 2015, and has been our President since 2017. Donna has many accomplishments she can be proud of and each year works hard to improve the Lindsay Seniors Association to make it the great Senior's community organization it has become.
