#### Being Grateful

This month we are grateful for the Lindsay Seniors Association and everything it represents for our members. We have been provided with a great facility, wonderful support within the community, and a fabulous line up of activities to choose from. We have a dedicated Board of Directors to manage the complex operations, and so many dedicated volunteers to keep all of this running, year round. The Lindsay Seniors has been making history since 1965. Thank you to all! And best of all, enjoy all the Tulips!!
