ANNOUNCEMENTS

Feature Group of the Month *“Mah Jongg”*

Mah Jongg is a tile based game that was developed in China in the 19th Century and spread throughout the world, being introduced to North America around 1920. It has been likened to the card game “gin rummy”. In Chinese, Mah Jongg translates to “sparrows”. There are several theories as to why the game is named after the birds, such as the clattering of the tiles resembling the chattering of sparrows. Four people play the game but each player plays from their own card with the tiles. The object of the game is to match your hand to a line on a card issued by the National Mah Jongg League, based on a simple set of rules. Mah Jongg is easy to learn, and helps to keep your memory sharp. Everyone is welcome and fun and new friendships are just waiting for you on Friday mornings at 9am. Hope to see you soon.

as opening our hearts.*

Christmas Shutdown

Christmas and the New Year is a great time to visit with family and friends, and to take a break from our everyday routines and look at the new opportunities ahead. Kawartha Lakes will be closing the building starting Friday, December 22nd and will reopen on Monday, January 8th, 2024 in which our regular scheduled activities will commence. We want to take this opportunity to wish all of you a very happy and safe Christmas and New Year.

*Blessed is the Season which engages the whole world
in a conspiracy of love.*

Hamilton Wright Mabie

The Lindsay Seniors Association Board of Directors would like to extend a huge thank you to all our Volunteers across this organization for keeping this valuable and vibrant community asset running five days a week year round.

*The true Christmas Spirit is putting others happiness before our own,
and finding you've never known such happiness.*
