Snow Flake Gala Christmas Party

Our “Snow Flake Gala” Christmas Party on November 30th, 2023 was a huge success with almost 200 members in attendance. From our incredible Christmas Dinner catered by Charmin to our “Band Together for a Better World”, the room was filled with dancing, laughter and many happy faces. We want to thank all the volunteers, especially the band, who worked many hours to make this event so special and give the members our best Christmas Party yet.

Volunteering at the Lindsay Seniors Association

The Lindsay Seniors Association is a non-profit, volunteer run organization that has been offering programs for Senior’s since 1965. It is run by a seven person Board of Executives and Directors, supported by a volunteer office staff and Conveners to run each activity. A monthly Calendar and Newsletter is prepared each month by office volunteers, who also maintain our Web site, print and cut score sheets for all the card groups, print instructional handouts for some groups, and order supplies. In addition, during the year, volunteers plan and execute different events such as the Christmas Party, Health and Wellness Fairs and small events like the Strawberry Social. For 2024, look at where you can make a difference at this wonderful organization.

Election of a new Board of Directors

At the Annual General Meeting in May, we will be electing a new seven person Board of Executives and Directors to run the Lindsay Seniors Association for a period of two years. We will have more news to follow in the coming months. Make a difference and volunteer.

Volunteers do not necessarily have the time, they just have the heart.
